Unusual European off road trucks at 2005 NorthWest MogFest

NorthWest Mogfest was again held at Sheridan, Oregon this year and Canadian Unimogs from Calgary, Vancouver, Gibsons and Mackenzie were in attendance along with those from throughout the USA. The event is not just for Unimogs, in fact the invitation reads: "All unusual European off-road vehicles are invited". For 2005 the collection in attendance included 39 Unimogs, 7 Pinzgauer, 5 Haflinger and 4 Volvos and a few others. Within that mix were some very unusual trucks. Some hard-core off-roaders have built custom rock buggies using components (such as axles) from some of these trucks but few peo-

The NorthWest Mogfest is more than just Unimogs. The event also draws a large amount of other European military 4x4's and 6x6's. Pinzgauers, Haflingers, Swedish C300-series (TGB)
